

2024 Data Science and AI Workshop for Energy Solutions

May 20 - June 21, 2024

The **Data Science and AI Workshop for Energy Solutions** is a five-week summer workshop. It is designed for early undergraduate students like you and provides training and mentoring in data science! Join us and you can:

- Receive a **\$500/week** stipend!
- Build skills in programming, data exploration, visualization techniques and machine learning!
- Network with scientists at a Department of Energy National Laboratory!
- Learn how your skills can impact discovery in materials, engineering, and recycling science!
- The deadline to apply is **March 25, 2024**.
